**Bio-Energetically Enhanced™ Pure Water Base:** Alcohol, sugar, gluten, taste and odor-free medicine starts with King Bio’s proprietary water purification process, ensuring a water base that is physically ten times more pure than distilled water. The process also ensures that the water is better able to hold more homeopathic potencies and is more resistant to environmental stresses such as X-Rays or radiation.

**Multi-Potency:** Every Aqua Remedy is formulated with a broad spectrum of 5 potencies of each active ingredient, expanding the therapeutic capabilities of the remedy, and ensuring a higher percentage of fast, safe, effective results.

**Multi-Delivery:** Oral, topical and olfactory dosage all in one convenient, contamination-proof, non-leaching PETE spray bottle. This versatility is key to optimizing the deep healing potentials of homeopathy; each delivery method offers a therapeutic dimension the other may not.

**5 Potencies In One  
x 3 Deliveries In One  
15 Products In One!**
